## PARENT/PLAYERS ATHLETIC GUIDE

### 2014-2015

The athletic program at Highlands Christian Academy is designed to help young men and women develop themselves spiritually, physically, emotionally, and socially, and to help them experience the enjoyment that comes from participating in sports. Our athletes are taught that their abilities have been entrusted to them by their Creator. These talents are to be developed to the glory of God as an expression of gratitude to Him.

Our goal is to represent Highlands Christian Academy and its distinctive goals and purposes in a positive way, whether we are competing in an athletic event or watching the game as a spectator.

## **Schedules/Directions**

Practice & game schedules are posted in the gym on the bulletin board. Parents will receive schedules and directions at the beginning of the season at the parent/team meeting. The HCA website, [www.highlandschristian.org](http://www.highlandschristian.org), will also post game schedules, results, and directions.

## **Athletic Fee**

Each student who participates in the athletic program at HCA is required to pay a \$75 athletic fee. Football players are required to pay a \$125 fee. Home-school athletes are required to pay \$175, or \$275 for football players. This fee covers the entire year, regardless of the number of sports played.

### **Due Dates:**

<b>Sept.</b>	<b>15:</b>	<b>Fall</b>
<b>Dec.</b>	<b>15:</b>	<b>Winter</b>
<b>Feb.</b>	<b>15:</b>	<b>Spring</b>

## **Admission Price**

Entrance to regular season home games at HCA are:

\$4 Adults	\$2 Students
\$5 Adults	\$3 Students – Varsity Football

HCA students enter free. Season passes can be purchased. Admission prices for District and Regional games are set by the FHSAA.

## **Personal Items/Valuables**

Student athletes are strongly encouraged to lock up their personal items in their locker. HCA cannot be responsible for lost or stolen items.

## **Injuries**

Athletes are asked to report all injuries to their coaches immediately. Accident reports will be filled out and filed in the coaches' office.

## **Pictures**

Athletic team and individual pictures will be taken by Lifetouch. All team members should be present for picture day. Each player will receive an order form. Pictures are to be paid for on picture day. Exact dates will be given at parent meeting. Usually picture day is on a Wednesday!

## **Athletic Awards Presentations**

After the season ends, coaches will plan an end-of-the-year awards party. Coaches will recognize each player, recap highlights from the season, and recognize several trophy winners. We expect all athletes to attend!

## **Physicals/Consent Form**

In accordance with the bylaws of the FHSAA, each student must have a current physical examination, which is good for one calendar year. No student may try out for a sport or participate in any way until he or she has had a physical exam. Players and parents must also fill out a Consent and Release Certificate. The athletic Office has these forms available, or you may visit [www.fhsaa.org](http://www.fhsaa.org) to download the forms:

EL2	“Pre-Participation Physical Evaluation”
EL3	“Consent and Release from Liability Certificate”
EL3CH	“Concussion and Heat-Related Illness”

## **Headphones**

Headphones may be worn on the bus or in the locker room. Do not have headphones in while in the bleachers, on the field or court, or in a restaurant. Remember, all music should be Christ-honoring. Administration and coaches have the right to take away this privilege.

## Try-Outs/Playing Time

2014-2015 Starting Dates Set by FHSAA:

Aug.	4	Football
Aug.	4	Volleyball
Aug.	4	Cross Country
Aug.	4	Golf
Aug.	4	Bowling
Oct.	6	Girls Soccer
Oct.	13	Boys Soccer
Oct.	20	Girls Basketball
Oct.	27	Boys Basketball
Jan.	5	Softball
Jan.	5	Track & Field
Jan.	12	Baseball

Exact dates and time will be announced for each try-out. In some cases, there are more students desiring to participate than can be accommodated. Coaches make selections for the team on the basis of ability and attitude.

Because playing time depends on so many variables, we cannot guarantee that every athlete will play in every game. Playing time depends on the following factors:

1. The God-given ability of the athlete
2. Time spent practicing prior to the season
3. Attitude of the athlete in practice and in games
4. The strength or weakness of the opponent
5. The athlete's work ethic in practice
6. The number of practices attended or missed
7. Injuries to oneself or to a teammate
8. The number of players on the team eligible to play in a given game

**"Playing time should not be discussed with the coach or athletic director."**

Coaches can discuss with their players what improvements could be made.

## Policy on Quitting

Athletes in the junior high or high school who are selected to participate on a team may not decide to leave the team after the start of the third game or contest. Students who decide to stop participating will be required to sit out of the next two athletic seasons as well as the sport they quit. This applies to the current year and may be extended into the following year. Seniors who decide to stop participating in the winter or spring season will forfeit any individual awards applicable to the athletic awards presented by the school. Awards outside the school or team awards will still be granted. Please let the coach know personally should you ever find it necessary to quit an athletic team.

Cheerleading: Girls who made the team during spring try-outs need to commit themselves to the following year. Those who quit will not be allowed to try-out the next spring.

### Practice

1. Practice schedules are posted in the gym on the bulletin board.
2. Athletes that are absent from school in the morning must sign in by 12:00 p.m. to be allowed to practice or play on that day. Students that come to school and sign out due to sickness will not be allowed to practice or play in games on that day. A student will not be kept from playing or practicing due to missing school for doctor's appointment, dentist appointment, funerals, etc.
3. Athletes that miss practice for unexcused reasons can be disciplined by the coach, held out of games, lose starting position, or be dismissed from the team.

### Tardiness

Any athlete late for practice or games without an excused reason, or due to detention, should expect to encounter some form of discipline from the coach. Any time a student attends an HCA help class, he or she will be excused from any practice time missed. Make-up tests are also excused but should be made up with practice schedules in mind. Players should bring a signed note to the coach with teacher's signature and time dismissed.

## Telephone

If changes occur in game or practice schedules that necessitate a call home, athletes will be allowed to use the phone in the coaches office, school office, or cell phone (with teacher's permission).

## Transportation

All athletes are to ride to and from games on the transportation provided by the Academy. Exception: Any student may leave a game with his or her parents provided that the parents talk to the coach personally. Students that would like to request permission to drive to a game, ride with their parents or someone else to a game, or return from a game with someone other than their parents, need to talk to their coach or the Athletic Director. Please do not make plans and then ask permission at the last minute.

## Wednesday Practices

All HCA athletic practices or games should conclude by 5:15 p.m. because of Wednesday night church services.

(This does not include tournaments set up by the FHSAA).

If you are a prospective student-athlete at a Division I or II college or university, you have certain responsibilities to complete before you may participate.

Information concerning who needs to register with the Clearinghouse and what documents need to be submitted can be found in The Guide for College Bound Student Athletes on the NCAA website, [www.ncaa.org](http://www.ncaa.org) (click on "Eligibility Center" located at the bottom of the homepage). It is the student's responsibility to begin this process and request items from the school as needed.

## Parking/Pick-Up

Athletes who drive must adhere to the driving policies of HCA. This includes home-school athletes. Parents, please be sure to pick your child up on time after their practice or game. Be sure to park in an area that will be safe from foul balls or home runs during baseball games and practices. HCA is not responsible for damaged vehicles.

## Plan of Salvation/Spiritual Growth

It is a requirement for all of our head coaches to have a personal relationship with Jesus Christ. Our coaches will share that plan of salvation with their players. It's as simple as *A,B,C!*

*A Admit you are a sinner.*

*B Believe that Jesus died and rose again.*

*C Confess your sins and call on the name of the Lord.*

Coaches will open and close practices in prayer as well as lead devotions throughout the season.

## Spectators

HCA strives to maintain a high level of respect for our opponents and their ability to perform in an athletic contest, as well as for the officials and their ability to call a fair contest. Thus, we do not condone derogatory comments/chants or actions which intend to harass or humiliate the opponents or officials. HCA fans are expected to exemplify Christian character and good sportsmanship through their presence in the stands. We must treat our guests as we would want our teams to be treated.
