S. T. E. M.

CLUB

HCA STEM Club includes science, technology, engineering, and math. The students will participate in hands-on projects, design a school garden, 3D modeling design, 3D printing, field trips, and robotics.

I give _____ (print student name) permission to participate in HCA Upper School STEM Club. I understand that...

- My child will participate in STEM Club one afternoon a week on Tuesdays from 3:30 – 5:00 PM.
- I am responsible to volunteer at least one event during each session.
- The session will run from February 27, 2024, through April 30, 2024.
- My child will need to bring his/her own snacks and water.
- The cost is \$150 per nine-week session payable at www.HighlandsChristian.org/purchase.
- I am responsible to pick up my child promptly at 5:00 PM.
