PAYMENT PLANS & AVAILABLE DISCOUNTS

- Annual tuition is eligible to receive a 3% discount if paid in full by August 1st. A one-time \$25 FACTS Tuition Service Fee will be charged in place of the \$105 fee.
- All charges are due on the 1st of the month and will incur a \$40 late fee if not paid within 30 days. Report cards will not be issued to those students with balances on their accounts. Students with accounts 60 days past due will not be admitted to class. School rates are annual rates therefore no credit will be given when a child is sick or goes on vacation.
- Any returned payments will be subject to a \$35 returned-payment fee.
- Once a financial agreement has been signed, paying parties are responsible for the full consolidated fee and semester tuition cost, even if the student is withdrawn before completing the semester.
- A multi-student discount will be given to families with more than one student enrolled. The oldest child will be charged the full price; any other children will receive a 10% discount on tuition, not fees. Additionally, families with 5 or more students will pay a maximum out-of-pocket expense of \$1,000 (for tuition only) per child beginning at the 5th student.
- Tell-A-Friend Tuition Credit Program - A \$500 tuition credit will be given to your family for every new K5-12th grade student that enrolls based on your referral or if you were referred by a current Highlands family. Please see the "Tell-A-Friend" form for more details.
- We are pleased to offer a Senior Pastoral discount. Contact our Admissions Department for requirements.

Aftercare - Full-time aftercare is on a per-semester basis. If you withdraw your child from full-time aftercare during the semester, the child cannot re-enter on a full-time basis until the beginning of the next semester (Jan.). Drop-in aftercare will be available if the student withdraws from aftercare anytime during the month. No refund will be given for any part of that month's payment. If your child is using aftercare on a drop-in basis, you may sign him/her up for full-time aftercare anytime during that semester, but you must commit to the remainder of that semester. A form must be filled out in the school office whenever any changes, additions, or withdrawals are made for your child's aftercare.

Withdrawals - Student withdrawals must be conducted through the school office. Once a financial agreement has been signed, paying parties are responsible for the entire semester cost, even if the student is withdrawn from the institution before completing the semester. All books, equipment, etc., must be turned in at the time of withdrawal. A parent will be charged for any required materials not turned in at that time. Report cards, student records, and transcripts cannot be released until all outstanding accounts are cleared. Details are available through the Student Billing Office.
