## Tyson Graham: HCA c/o 2012

Congratulations to Tyson Graham for signing with the Indianapolis Colts this past summer. Tyson graduated from HCA in 2012 where he played football his junior and senior season. He then went on to the University of South Dakota and played 4 years for the Coyotes. In last week’s pre-season game vs. the Cowboys, Tyson played significant minutes in the second half at the safety position. Congratulations, Tyson and the Graham family!
